Saturday 10th November 2018 & Sunday 11th November 2018

Please arrive at the entrance of the school's theatre at your allocated time with costumes, make-up and adequate food and drinks for the **whole** day (all named).

A Chaperone will collect them from the foyer and register them in the dressing room.

For the Show your child will need:

Hair & Make Up

Girls - please provide named hairbrush, hair bands for bunches, hair grips, Hairspray and hair gel . Ballet students will need hair in a bun with a hair net.

Please bring bright red lipstick, blusher and eye liner pencil in a named bag. We have a supply of these although it would be helpful if you can provide any old red lipsticks or eyeliner pencils you may have.

Boys - please provide hair gel (named)

Packed Lunch, Dinner and Drinks etc (NO NUTS)

Please pack a lunch and a cold dinner for your child with enough drinks to last them all day. Quiet games and books are allowed to occupy time in the dressing room. Children can also bring their own personal electronic devices and phones if they can be fitted with headphones or put on silent. These items are allowed at your own risk and Showshack cannot be held accountable for any loss or damage to them.

We will not be asking you to collect your child from the theatre between shows. The reason for this is that during previous shows there has not been enough time to release all the children safely to their parents and return for the evening performance. Please contact us if this does cause a problem for you or your child.
